

INFORMATION ABOUT THE SERVICE

Description of the Service

Field Mobile Plans are post-paid mobile services for use with a compatible Australian mobile phone device.

These plans are available to new and existing approved eligible customers in Narrabri and the surrounding regions.

Service Availability

Field Mobile Plans are available in Optus 4G coverage areas. Please check eligibility at *Business Mobile | Field Solutions Group* (fieldsolutions-group.com)

Coverage will vary depending on the device, building structure and location.

What's Excluded

Your monthly included calls, SMS and data cannot be used whilst overseas. Premium SMS, directory assistance, content services, calls to satellite numbers and premium calls are not included in monthly spend. For a complete list of all extra charges, please refer to: fieldsolutions-group.com/extra-charges

Minimum Term

Field Mobile Plans are Month to Month and will continue to be charged until such time as the service is cancelled by the owner/user. The Minimum term is the activation fee + the monthly charge that is pro-rata billed.

What's Included

The included below call value can be used to call: all Australian standard national fixed and mobile services, voicemail deposits

and retrievals, 13/1300/1800 numbers and diversions. International Dialling inclusions are shown inclusive of GST and allow users on the corresponding plan to call and SMS any international country from Australia. Once the user has used their allocated allowance, charges per min will apply. Please refer to <https://fieldsolutions-group.com/idd-rates> for IDD (International Direct Dial) rates. Any unused spend is forfeited at the end of each billing cycle.

Your Data Allowance

Data Allowance for Field Mobile plans is listed below in the Pricing table. Included data cannot be used whilst overseas. All Field Mobile Plans and Field Mobile Data plans will share, and pool included data each month. Any unused data is forfeited at the end of each billing cycle.

If you breach your pooled data, your Field Mobile plans will automatically receive a 1GB top-up for \$13. You will be notified of this via SMS or email each time a data pack is added to the account.

Handset/Device

You can use Field Mobile Plans with any compatible tablet or mobile broadband device. You may BYOD (Bring your own Device) or purchase a device through Field Solution Group by contacting your sales representative or 1300 000 488. Note that only selected devices are available for purchase and may be purchased outright or over monthly instalments using 3rd party finance.
